

17th International HELP Conference

May 1, 2019
Doubletree by Hilton Hotel
Portland, OR

The HELP conference is held as part of the annual American Geriatrics Society Meeting. It is designed to educate everyone interested in acute care strategies for delirium prevention, using HELP to improve hospital-wide care of older adults, and creating a climate of change.

To see the full program and register for the conference, visit <https://meeting.americangeriatrics.org>

Can't attend the full HELP conference?

Come to our Special Interest Group Meeting on May 2nd 6-7pm!

All are welcome to join the discussion

Highlights

- ◆ Presentation from **Dr. Sharon Inouye** on past, present and future of HELP
- ◆ Guidance on obtaining long-term funding in order to sustain your program from **Dr. Fred Rubin**
- ◆ **Dr. Noll Campbell** to present updated information on pharmacological management of delirium and BEERS List
- ◆ Interactive session with experienced HELP sites on non-pharmacological prevention and management of delirium
- ◆ Presentation from **Dr. Wendy Zachary** on successful implementation of HELP at California Pacific Medical Center
- ◆ **Dr. Cynthia Brown** to present on improving hospital mobility utilizing structured protocols
- ◆ Presentation on adapting HELP to rural settings from **Dr. Heidi Wierman**
- ◆ Opportunities to network with other HELP sites and participate in active breakout sessions
